

We're here to help.

Papa Pals bring companionship and assistance with light household tasks, transportation, errands, meal prep, children, pets, and more—right to your door or your loved ones'.

5 Steps to enroll

- 1 Visit: papa.com/care/signup/
- 2 Enter your first and last name, mobile number and work email address.
- 3 Check your work email for your eligibility code, return to online enrollment and enter where prompted.
- 4 Finish creating your Papa login credentials by creating your password.
- 5 Select who will use your Papa benefits—you or your loved one(s)— along with the primary zip code where you would like assistance.

5 Steps to request your visit

- 1 Scan the QR code or download the Papa Care app in the Apple or Google Play store.
- 2 Login using your work email and and the password you created during enrollment.
- 3 Click 'Request a new visit'.
- 4 Follow the steps to select who the visit is for, the location that the Papa Pal will visit, and which services you're requesting.
- 5 Choose the date and duration that works best for you, and that's it! Your visit request is complete!
