Subject to your continued eligibility, your selections will continue in the following plan years unless you change them. If you make any changes, you must complete the enrollment form in its entirety. Insurance, including Medical Insurance and/or Standard Life Insurance cannot be selected if you have previously canceled. You can cover your dependents under every benefit that specifies dependent coverage, as long as your dependents are currently covered and you participate in the same benefit or unless HIPAA special enrollment rights apply. In the event you pass away while covering a dependent spouse and/or child(ren), coverage for the dependent(s) will terminate at the end of the month in which you pass away UNLESS the dependent is also a DCPS retiree. The dependent(s) will be extended the option of continuing coverage through COBRA.
